PROFILES

Half-round gutter

Kaycan's Classic Half-Round Vinyl Rainware is a complete snap-together gutter system manufactured in Canada. The reinforced half-round gutter uses K-Snap Cement for permanently welded joints with no compression seals, and heavy-duty Plastmo-compound hangers support ice and snow loads. Snap-apart downspouts make cleaning simple. Available in Brown and White, with a full system of gutter components and a choice of square (K-series) or round (P-series) downspouts. Won't leak, chip, rust, dent, or peel.

Key Features

- Reinforced gutter rim — prevents bowing, warping, or sagging
- Heavy duty brackets — supports heavy ice and snow loads (special Plastmo compound)
- Snap-together installation — no special skills, tools, or training required
- Compatible with square (K-series) and round (P-series) downspout systems
- Manufactured in Canada — over 40 years of Kaycan experience
- Permanently welded joints with K-Snap Cement — no compression seals
- Snap-apart downspouts for easy cleaning without tools
- Won't leak, chip, rust, dent, or peel — resists air pollution, acid rain, and salt air
- Available in Brown and White

Certifications & Testing Standards

Kaycan Classic Half-Round Vinyl Rainware Gutter meets or exceeds the following Canadian and international performance standards.

- Manufactured in Canada — over 40 years of Kaycan rainware experience

Installation Guide

- 1 Snap-together system — no special skills, tools, or training required

- 2 Use K-Snap Cement (P240) to permanently weld joints — no compression seals needed

- 3 Reinforced gutter rim (P014) prevents bowing, warping, or sagging

- 4 Heavy duty hangers (P064) support heavy ice and snow loads using special Plastmo compound

- 5 Snap-apart downspouts allow easy cleaning without tools

- 6 Install Classic Drip Edge (P400) at fascia before mounting gutter

- 7 Classic Leaf Guard (P250) available to prevent debris accumulation — 20/ctn, 1.5m

- 8 Resistant to air pollution, acid rain, and salt air — won't leak, chip, rust, dent, or peel

- 9 Available in Brown and White — match to existing fascia trim
