## Installation Guide

- 1 Shutters ship boxed in pairs with screws included.
- 2 Easy installation with Shutter-Lok® Fasteners — compatible with any exterior surface including wood, vinyl, aluminum, stucco, fiber cement, or brick; no anchors necessary.
- 3 Not all colours are available in all profiles — confirm colour availability for your selected style when requesting a quote.
- 4 To order custom shutters: measure the width and length of each window (you may include the frame in your measurements), select your preferred style, then request a quote with your dimensions.
- 5 40-year transferable warranty includes the finish (decorator colours only). SolidThru™ durable copolymer — UV-stabilized, colour is moulded through, no paint to ever chip, flake, or fade.
