Compatible Accessories

Gable Vent Keystone

For use with standard (K) vents Item #5075. Special Order. For use with standard Kaycan gable vents marked (K). Field modifications may have to be made.

Installation Guide

- 1 More Net Free Ventilation Area than industry standards — provides optimal attic and gable ventilation.
- 2 Double baffle design provides added protection against wind-driven rain and snow.
- 3 Can be installed on all types of siding.
- 4 Easy-to-use in a decorative application if a functioning vent is not required.
- 5 (K) = Keystone available on select models; field modifications may have to be made.
- 6 Special Order Triangle Gable Vents (#5541–#5550) are only available in White (01) and Paintable (00).
- 7 Contact your local Kaycan representative for colour availability — not all gable vents are available in every colour.
