## PROFILES

K-Snap vinyl eavestrough

Kaycan's K-Snap Vinyl Rainware is a scratch-resistant, snap-together gutter system designed, developed, and manufactured in Canada. Permanently welded Kaycan cement joints create a truly seamless system with no compression seals. Heavy-duty hangers (75/ctn) support heavy ice and snow loads, and snap-on downspouts with smooth joints make cleaning effortless. Available in 6 colours — Brown, Clay, Gray, Khaki, Sandstone, and White — with your choice of Square, Round, or Ribbed downspout systems. Solid vinyl won't leak, chip, rust, dent, or peel, and resists air pollution, acid rain, and salty sea air.

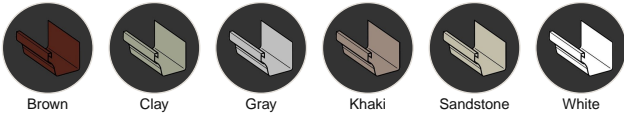

## Key Features

- Reinforced gutter edge — prevents bending, warping, or sagging
- Permanently welded joints using Kaycan cement — seamless system, no compression seals
- Precise engineering for effortless snap-together assembly — easily cut with a hacksaw
- Unaffected by air pollution, acid rain, salty sea air, or leaf acid
- 3 downspout options: Square, Round, and Ribbed systems
- Heavy-duty supports — withstand ice and snow weight
- Easy to clean — snap-on downspouts, smooth joints, no sharp edges, unhindered water flow
- Scratch-resistant solid vinyl — won't leak, chip, rust, dent, or peel
- 6 colours: Brown, Clay, Gray, Khaki, Sandstone, White
- Designed, developed, and manufactured in Canada

## Installation Guide

---

- 1 Snap-together system — precisely engineered for effortless assembly, easily cut with a hacksaw
- 2 Use Cement (P240) to permanently weld joints — truly seamless system, no compression seals
- 3 Reinforced gutter edge prevents bending, warping, or sagging
- 4 Heavy-duty hangers (K064) — 75/ctn — support weight of heavy ice and snow
- 5 Easy to clean — snap-on downspouts, smooth joints and no sharp edges ensure unhindered water flow
- 6 Install Drip Edge (K400) at fascia before mounting gutter — 10/ctn, 2m
- 7 Leaf Guard (K250) available to prevent debris accumulation — 20/ctn, 1.5m
- 8 Solid vinyl — resistant to air pollution, acid rain, salty sea air, and leaf acid; won't leak, chip, rust, dent, or peel
- 9 Choose from Square, Round, or Ribbed downspout systems
- 10 Available in 6 colours: Brown, Clay, Gray, Khaki, Sandstone, White
