

VINYL SKIRTING
KAYCAN

Kaycan Vinyl Skirting

SKU: KYC-VINYL-SKIRTING

WARRANTY

Lifetime Limited Warranty for original homeowner

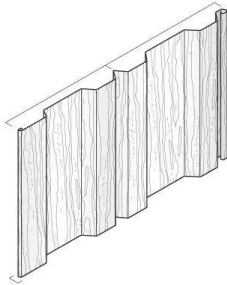

Kaycan Vinyl Skirting provides a clean, professional finish for any porch, patio, or foundation enclosure. The five-piece system — solid panels, vented panels, ground channel, and front and rear rails — installs quickly without special tools. Solid and vented panels interlock and can be freely mixed to control airflow beneath the structure. Built with Duratron™ Vinyl Technology, Kaycan skirting is sanitary, easy to clean, and resistant to insects and vermin. Available in white. Designed, developed and manufactured in Canada.

Profiles & Specifications

0080

W.B.P. Solid Skirting Panel

Solid vertical board skirting panel. Interlocks with adjacent panels — slide over the rear skirting trim at the top and into the ground channel at the bottom.

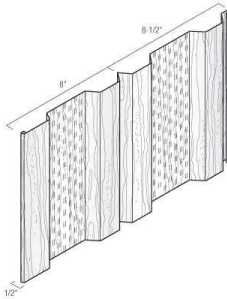

Length	12.2
Coverage	192 sq ft/carton
Pcs/Carton	12
Availability	White only

0081

W.B.P. Vented Skirting Panel

Vented vertical board skirting panel that allows air circulation beneath the home. Intersperse with solid panels to achieve the required air exchange.

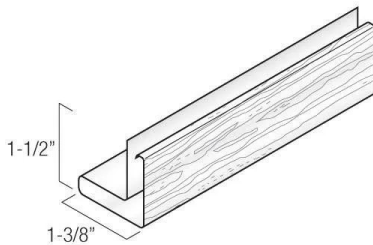

Length	12.2
Dimensions	8-1/2" total width x 8" face x 1/2" bottom
Coverage	192 sq ft/carton
Pcs/Carton	12
Availability	White only

0082

Skirting Bottom Rail

Vinyl ground channel installed directly under the outside edge of the home using galvanized nails. Receives the bottom edge of all skirting panels.

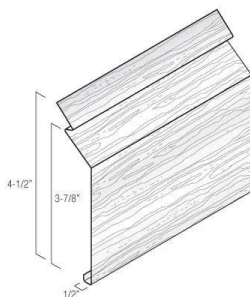

Length	12.2
Dimensions	1-1/2" height x 1-3/8" width
Coverage	432 lin ft/carton
Pcs/Carton	36
Availability	White only

0083

Skirting Top Rail Front

Front skirting trim that snaps into place over the top of installed panels to hold them securely and provide a clean finished edge.

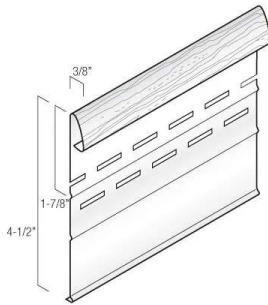

Length	12.2
Dimensions	4-1/2" total height x 3-7/8" face x 1/2" bottom
Coverage	576 lin ft/carton
Pcs/Carton	48
Availability	White only

0084

Skirting Top Rail Mount

Rear skirting trim nailed to the home structure at the top. Skirting panels slide over this trim at the top and lock into the ground channel at the bottom.

Length	12 2
Dimensions	3/8" top lip x 1-7/8" face x 4-1/2" total height
Coverage	576 lin ft/carton
Pcs/Carton	48
Availability	White only

Certifications & Testing Standards

Kaycan Vinyl Skirting meets or exceeds the following Canadian and international performance standards.

- Duratron™ Vinyl Technology — ensures durability and long lasting performance
- Designed, developed and manufactured in Canada

Installation Guide

Critical Installation Rules

- 1 Available in white only.
- 2 Intersperse solid and vented panels to achieve required airflow beneath the home.
- 3 Cut panels 1/4" short of measured height to allow for expansion.
- 4 Use galvanized nails for ground channel and rear trim installation.
- 5 Bend (do not cut) panels and trim pieces at corners.
