PROFILES

Louvered - Raised Panel

Mitten Shutters are custom-sized vinyl exterior shutters for Canadian homes. Available in Louvered and Raised Panel profiles, these shutters use Staytru colour technology to maintain their colour in all weather without ever needing paint or staining. Six colours, custom sizing to the nearest ¼", and a Lifetime Limited Warranty make them a practical, long-lasting accent for any home exterior.

Key Features

- 2 styles: Louvered and Raised Panel
- Staytru colour technology — UV resistant, never fades, never needs painting
- 6 mounting screws included per panel
- Lifetime Limited Warranty
- Custom sizing to the nearest ¼" — widths from 12" to 14.5", lengths from 22" to 72"
- 6 colours: White, Charcoal, Black, Dark Blue, Heritage Brown, Burnished Slate
- 3-step installation: mark, drill, fasten

Profiles & Specifications

LOUVERED

Louvered

Classic horizontal louvres run the full height of the panel, providing traditional curb appeal and a timeless look for any home exterior. The louvered style complements both colonial and contemporary architecture. Made from durable vinyl with Staytru colour technology — never needs painting or staining. Mounting hardware (6 screws) included.

Width Range	12" to 14" (custom to nearest ¼")
Length Range	22" to 72" (custom to nearest ¼")
Colours	White, Charcoal, Black, Dark Blue, Heritage Brown, Burnished Slate
Colour Technology	Staytru — UV resistant, never fades, never needs painting
Hardware	6 screws included
Warranty	Lifetime Limited Warranty

RAISED-PANEL

Raised Panel

Raised panel shutters add architectural depth and a refined, formal look to any window. The panel relief creates distinct shadow lines that dress up the exterior of a home without adding bulk. Made from durable vinyl with Staytru colour technology — never needs painting or staining. Mounting hardware (6 screws) included.

Width Range	12" to 14.5" (custom to nearest ¼")
Length Range	22" to 72" (custom to nearest ¼")
Colours	White, Charcoal, Black, Dark Blue, Heritage Brown, Burnished Slate
Colour Technology	Staytru — UV resistant, never fades, never needs painting
Hardware	6 screws included
Warranty	Lifetime Limited Warranty

Certifications & Testing Standards

Mitten Shutters meets or exceeds the following Canadian and international performance standards.

- Manufactured by Mitten Inc. — exterior building products for Canadian homes
- Staytru colour technology — UV-resistant vinyl, colour maintained in all Canadian climates
- Lifetime Limited Warranty — covers materials and workmanship
- Painting the product will void the warranty

Installation Guide

- 1 **IMPORTANT** — Drill a ¼" (6mm) pilot hole in the shutter at each mounting location before inserting any screw.

- 2 **STEP 1** — Place the shutter in the desired position on the wall. Locate 6 places on the wall to drill and mark the locations of the holes on the shutter.

- 3 **STEP 2** — Place the shutter horizontally. Drill the 6 marked holes using a ¼" diameter drill bit.

- 4 **STEP 3** — Place the shutter back in the desired position. Use the drilled holes as a guide to drill into the wall. Fasten the shutter using the 6 screws supplied, using a screwdriver. The screws must apply light pressure on the shutters — do not screw them too deeply.
